Capability Statement

CHANGE is a multi-award winning and world renowned strategic environmental leadership and consulting company. We pleased to have achieved such great success by offering our services focused on core values of transparency, professionalism, accountability, and efficiency. We are proud to serve hundreds of clients that continue to come back for our expertise and experience that includes establishing relationships with new clients that hear about us from our existing clients or through their own findings each week. Either established or new clients each have a common goal that is to work with CHANGE to establish a more comprehensive and robust approach to getting their environmental issues resolved in a timely and effective manner while looking for long term solutions to be sustainable and compliant.

You may also visit the company website at www.airqualitychange.com to learn more about CHANGE executive management, and our core team of nationally and internationally recognized experts located throughout the United States and the world.

On behalf of CHANGE, we look forward to earning your trust and having you as a valued client.

Sincerely,

Timothy R. McAuley, MS, PhD
